LET'S GO

ADVENTURE

FIELD-TRIP

In August, our students had the fantastic visit to Cimory Dairyland, a delightful and educational destination that brought learning to life! They enjoyed interactive exhibits, scenic tours, and delicious dairy treats.

THIS MONTH IN GRADE 6A

Grade 6A won the Flag ceremony competition held by the school! For that of course they received a duty to lead the Flag ceremony on Monday, 19th August 2024!

Winning means to strive more in the future as the future of Indonesia! Our class led the flag ceremony with proud and grateful heart, to have such a big duty makes us realize that being Independent also bears great responsibility! Specially for ourselves, not only responsibility to others!.

STUDY TOUR! 29 AUGUST 2024!

We went to CIMORY FARM THEME PARK! We learned a lot about animals and eat good food, who knows capybara have a twinsies? Nutria! (also got a little to happy about going shopping after, even our homeroom teacher bought a lot of snacks!)

After School Activities

This is one of our extracurricular activities, **BASKETBALL CLUB**, which is held every Wednesday with P4-P6 students

THIS MONTH

In Grade 6C

August the first week of our 6C class activities is learning with differentiated learning methods. It is fun learning method because children can contribute directly according to their own needs and learning styles. And can explore all potential they have even with different learning methods but still one goal.

In the middle of the month, on the 16th of August, class 6C participated in celebrating the 79th Independence Day of the Republic of Indonesia at Emporium Mall by contributing some regional dances.

Study Tour!

At the end of August, Westin School organised a study tour to Cimory Dairy Land. Grade 6C students were very excited and happy, where children were introduced to the natural environment and how to take care of it while enjoying the beauty of a soothing panorama.
